Capbuilders
Catholic Charities of California
Councilmember Richard Alarcón, Council District 7- City of Los Angeles
County Welfare Directors Association
New America Foundation
SingleStop USA
Western Center on Law and Poverty
and California Department of Community Services and Development

The Earned Income Tax Credit (EITC) is often referred to as the single most potent anti-poverty tool in the U.S. This year, the expanded EITC will allow families with 3 or more children to qualify for up to \$5,657 tax credit. However, many of those eligible for the EITC do not claim it. Although there are many reasons why families do not file for the EITC, primary among them is lack of understanding and awareness.

This one-day symposium will focus on promoting community partnerships, and successful strategies to inform eligible families about available tax credits – including Making Work Pay, the Child Tax Credit, the Child Care Credit, and the American Opportunity Credit.

Workshops will include:

Building and Expanding a Successful EITC Program
Coalition Building
EITC Practitioner Training
Policy Options for State EITC

Who should attend?

Policy Makers
Practitioners
Anyone Interested in Building a Statewide Coalition

**Join us for a day of informative workshops
and statewide coalition building!**
